RESTAURANTS AND LOUNGES

As stunning and sophisticated as the resort itself, every dining experience at Streamsong presents the chance to enjoy excellent food and drink in the most beautiful setting imaginable. From scratch-made breakfast favorites to inspired

dinner entrees, our chefs use the finest ingredients available to create dishes that will satisfy and delight a diverse array of tastes. Dining at Streamsong is the ideal way to indulge all of your senses.

SOTTOTERRA™

Nestled into the Lodge's lower lobby is the chic and modern dining room of Streamsong's flagship restaurant, Sottoterra. Open only for dinner, Sottoterra is at once incandescent and intimate, with a luxurious palette of cool blues and grays, white marble and linen. Expert presentations of classic Italian cuisine use the best that the earth and oceans have to offer. Seating is limited to ensure the most personal service.

BONE VALLEY TAVERN™

Located at the Black Clubhouse, Bone Valley Tavern provides coastal Gulf Cuisine, dedicated to providing Florida's freshest selection of fish, oysters & shellfish, along with homemade accompaniments such as soup from scratch and seafood salads. Land and sea converge as they did in prehistoric times to provide a perfectly balanced epicurious experience.

FIN & FEATHER™

Fin & Feather derives its name from the fishing & hunting permit granted to Mosaic employees in the local area over 30 years ago on the very same land that has come to be Streamsong. Fin & Feather celebrates the history and bounty of our Southern land with traditional recipes crafted with the finest ingredients that the region has to offer.

LEAF LOUNGE™

Leaf Lounge is located just steps from the main entry doors at the Lodge with a 16 seat bar and majestic floor-to-ceiling views of the lake and the fantastic sunsets for which Streamsong is so well known. Along with your favorite beer, wine and cocktails, small plates and desserts are available for guests.

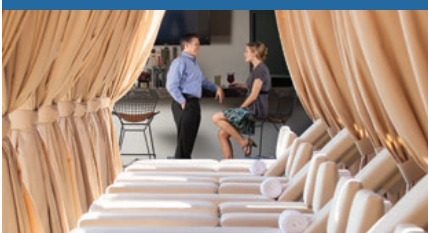

ROOFTOP 360™

Nothing can top a cocktail with a view, and the 360-degree panoramic views atop the Lodge's 6th floor at Rooftop 360 are as breathtaking from inside the floor-to-ceiling windows as they are al fresco. Enjoy the sunset with hand-crafted cocktails.

RESTAURANT FIFTY-NINE AT THE CLUBHOUSE™

Restaurant Fifty-Nine offers USDA Prime beef and fresh seafood prepared with the level of finesse required by the elusive golf score for which the restaurant is named. Luscious lobster bisque or lump crab cakes set the stage for an aged steak grilled to perfection, and one of Central Florida's best wine lists. Restaurant Fifty-Nine's location in the Red and Blue Clubhouse delivers dramatic views of our legendary courses, and the dining room's handsome interior provides an invitation to savor breakfast, lunch or dinner.

HEMY'S™

Retreat to Hemy's for a cool poolside sip or a relaxed lunch complete with lakeside views. Enjoy crisp salads, hearty wraps, and sandwiches at the cozy full service bar or from the comfort of a chaise lounge or private cabana.
