The caddie will drive the approved cart at all times while staying outside areas off limits to carts and within all approved areas for carts. The single cart fee is \$35. The suggested single bag driving caddie fee during walking time frame is \$100 + Gratuity. (For ADA players only: The ADA player may drive the cart alone or request that the caddie or group caddie drives the cart for them. All ADA carts will have a blue flag attached to the roof. Cart fee rate applies and group shall pay the applicable suggested group caddie rate (or individual caddie fee as determined by the guest and the caddie during riding time frame.)
